

## SIGN UP FOR FREE MOTIVATIONAL INTERVIEWING TRAINING FOR CHILD WELFARE WORKERS.

Florida Department of Children and Families has partnered with EBA to provide virtual training of Motivational Interviewing- an evidenced based practice designed to create empowering engagement with clients for long-term, self-motivated change.

### Motivational Interviewing Training:

- Specialized training for communicating with clients to move past resistance and allow space for individual exploration and goal setting.
- Develop focused listening skills designed to engage and empower clients to co-create meaningful, achievements.
- *For more information:*
  - Available to staff of lead agencies, CBCs and providers of child welfare services.
  - Courses offered in blended modalities: self-paced website platform and live, virtual group workshops.
  - Trainings offered at various times/days to provide flexibility in scheduling
  - Supervisor approval and registration required
