

MI SUPERVISOR

MY ROLE SUPPORTING FLORIDA FAMILIES

What is a MI Supervisor?

A practitioner trained in Motivational Interviewing and MI Supervision who demonstrates advanced competency in MI practice and assists with fidelity monitoring by engaging in:

1

Group Coaching & Supervision

Virtual group sessions for DCF supported MI Practitioners twice per month designed to build MI skills

2

Case Consultation

Quarterly group consults with MINT Trainer to collaborate on successes & challenges

3

MI Skills Evaluations

Conducts biannual skills evals on DCF-supported MI Practitioners using an evidence based assessment tool (MI-CRS)

4

Data Management

Documentation and reporting of fidelity scores indicative of staff adherence and competency

5

Booster Training

Continued education for ongoing skill development and quality as a MI Coach and Practitioner
